

## Directions to Eco Design Architects

If you are coming from out of town then the best is to take *De Waal Drive (M3)*, which leads straight into Roeland Street.

We are situated on the corner of Buitenkant and Roeland Street; between Bentleytex Carpets and the Motorbike shop.

You can find parking in *Canterbury Street* or around Fruit and Veg City, which is just one block away from us (see above).

### Our Address:

Eco Design Architects  
 1st Floor  
 79 Roeland Street  
 Cape Town 8001
